

Policy on the Dissemination of Information about Governance Issues.  
Adopted by the ISBA Board of Governors on 10/19/07

To better inform members of the association about issues considered by ISBA governing bodies, the following procedures will be implemented:

1. Assembly – the preliminary agenda, final agenda, and minutes of the Assembly meeting will be made available to members via the ISBA website. Members will be asked to pass through an electronic member gate prior to accessing these materials. Support materials for the agenda, which are not confidential or privileged, will be made available to members upon request.

2. Board of Governors – the agenda and minutes of the Board of Governors meeting in regular session will be made available to members via the ISBA website. Members will be asked to pass through an electronic member gate prior to accessing these materials.
