BAR ASSOCIATION

Membership Made Easy

Sign up for ISBA's flexible automatic dues plan and save yourself the hassle of responding to yearly dues statements. Using your major credit card or automatic withdrawal from your bank checking or savings, you can set up automatic monthly (for the 10th year and beyond), quarterly, semi-annual, or annual dues payments—and, forget about it.

Membership Made Easy assures that all the benefits of your membership will continue to be delivered to you without interruption—and your dues and fees are divided into easily affordable increments.

HOW IT WORKS

Choose the installment of your choice and the Illinois State Bar Association will charge your dues to your designated credit card or checking/savings account beginning on or about July 1 of each year. We will continue to debit your account of choice until you tell us by phone or in writing to discontinue the automatic charges. Be sure to figure your periodic payment and enter your credit card or banking account information and sign the authorization on the back of this brochure.

At the beginning of each membership year, ISBA will contact you by regular mail regarding the current dues rate. You will also be able to review and make changes to the options you selected for your automatic installment payment plan.
