Using your major credit card or automatic withdrawal from your bank checking/savings, you can set up automatic monthly, quarterly, semi-annual, or annual dues payments—and, forget about it.

Membership Made Easy assures that all the benefits of your membership will continue to be delivered to you without interruption—and your dues and fees are divided into easily affordable increments.

**HOW IT WORKS**

Choose the installment of your choice and the Illinois State Bar Association will charge your dues to your designated credit card or checking/savings account beginning on or about July 1 of each year. We will continue to debit your account of choice until you tell us by phone or in writing to discontinue the automatic charges.

At the beginning of each membership year, ISBA will contact you to review the current dues rate and make changes to the options you selected for your automatic installment payment plan.
