

Section on Health Care Law

The Mission of the ISBA Administrative Law Section:

To inform and advise the members of the bar who practice in the field on current developments in administrative law. To provide a forum for the interchange of ideas between governmental and private practice attorneys in the field. To study and make recommendations regarding proposed legislation and regulations. To present seminars, newsletters, conferences, and conduct other appropriate information dissemination activities in furtherance of these goals.

General:

- ◆ Section dues are \$30 per year.
- ◆ To join, go to www.isba.org/sections

Continuing Legal Education

The Section sponsored the following program during the year:

- ◆ **Cannabis Law: What You Need To Know to Represent Cannabis Business and Investors** (09/20/18)

Section members also receive discounts on section-sponsored CLE programs.

Legislation

The Section Council reviews proposed legislation that may affect their members' practice area. Highlights of the most recent legislative session include:

1. Number of bills reviewed: 112
2. Significant legislation:
 - a. SB 182 – Advance directives in electronic format
 - b. SB 1702 – Involuntary commitment and use of telemedicine
 - c. SB 2023 – Medical Cannabis expansion

ISBA Central

- ◆ Members of the ISBA section get free access to the section's community on ISBA Central. The ISBA Central community allows section members to pose questions, answer questions, and share information with fellow section members from around the state.

Newsletters

During the 2018-19 bar year, the Section published 4 newsletters. Articles included:
