ATG's Advocacy Efforts

- » **Legislative Initiatives** to fight for the interests of lawyers and the clients they serve.
- » **Media Relations** campaigns – like the billboard shown above – to spread our core messages.
- » **Telling Our Story** to reinforce the philosophical foundation of our 50+ year history.

ATG® was founded in 1964 on the basis of preserving the lawyer's role in real estate transactions for the benefit of the client. Since that time, ATG has made it a priority to promote the lawyer's role and advocate for the interests of lawyers and the clients they serve. (And yes, we even put our message on a billboard.) No other title underwriter in the Midwest can make that claim.

ATG is widely known as an advocate for lawyers and the clients they serve. Through the years, our goal has remained the same: To provide our agents with a level of support and services that empowers them to give their clients high-quality legal assistance with real estate transactions – including title insurance, trusts, and related services.
