# IN ILLINOIS

Because of the generosity of our donors, the Illinois Bar Foundation distributed over \$900,000 this year to support lawyers in times of crisis and those of limited means seeking civil legal aid throughout the State.

The IBF is the only statewide, voluntarily-funded organization of its kind. Your support makes it possible for the IBF to make grants to civil legal aid organizations offering vital legal services to low-income residents and to provide a lifeline to our colleagues and their families during times of need.
